

FAQs on GovCash

1. What is GovCash?

GovCash is a new and more convenient way for citizens to receive their payouts from Government agencies.

The Board will progressively replace cheques with GovCash from November 2021.

2. How can I utilise my GovCash?

You can withdraw your payouts in cash at OCBC ATMs with your 8-digit Payment Reference Number (PRN), which will be sent to you by SMS or by post. You do not need to have a OCBC bank account to use this service.

You can also transfer your payouts to your PayNow NRIC-linked bank account or utilise them to make payments at any merchants or transfer to your friends by scanning their PayNow QR code using the LifeSG mobile app. You can download the LifeSG mobile app from the Apple App Store or Google Play Store.

You may refer to Annex 1 for the step-by-step guide for detailed instructions on the ways you can utilise your GovCash payouts.

3. Where can I obtain my Payment Reference Number (PRN)?

Your PRN can be found in your Workfare notification from the Board. Alternatively, visit workfare.gov.sg, login with your Singpass and select “View my GovCash PRN”.

4. How do I check my GovCash balance?

To check your GovCash balance, please visit OCBC ATMs with your 8-digit Payment Reference Number* (PRN). Upon successful authentication, you will be able to view your GovCash balance.

Alternatively, you may login to the LifeSG mobile app using your Singpass to view your GovCash balance and transaction history. You may refer to Annex 1 for the step-by-step guide for detailed instructions.

*Your PRN can be found in your Workfare notification from the CPF Board, and at the [Workfare Portal](#) (Singpass login is required).

5. What should I do if my facial recognition at the ATM with GovCash functions is unsuccessful?

Should the ATM be unable to verify your identity via Singpass Face Verification, please try again or request for assistance from OCBC's Digital Ambassadors.

6. What should I do if I do not want to receive my payouts via GovCash?

You can choose to receive your payments via PayNow by linking your NRIC number to your bank account.

To link your NRIC number to your bank account, you may follow the steps below:

1. Set up internet / mobile banking with your bank
2. Log in to your bank's internet / mobile banking application
3. Link your NRIC number to your bank account at the PayNow registration screen

You may also refer to your bank's website for specific details to do so. If you do not have Internet or mobile banking, you can contact your bank directly to register for PayNow.

Otherwise, you can choose to receive your payouts via Direct Bank Crediting. To do so, simply visit [here](#), login with your Singpass, select "Payment Instruction" and update your POSB/DBS, OCBC or UOB bank account details.

7. Why can withdrawals be made only in \$10 denominations and what can I do with my balance GovCash?

Currently, the minimum withdrawal amount at the ATMs is \$10. Hence, GovCash withdrawals can also be made in \$10 denominations. If the balance in your GovCash is less than \$10, you can accumulate your balance monies before your next withdrawal.

Alternatively, you can also transfer the balance to your PayNow NRIC-linked bank account or utilise them to make payments at any merchants or transfer to your friends by scanning the PayNow QR code using the LifeSG mobile app. You may refer to Annex 1 for detailed instructions.

8. Would I need to login to Singpass each time I open the LifeSG mobile app to access my GovCash?

No, you are only required to log in using SingPass when you first use the LifeSG mobile application. Subsequent use of the LifeSG mobile app do not require SingPass logins again unless you have not used LifeSG mobile app for more than a year or deleted the application and re-downloaded it.

9. If my GovCash balance is insufficient to make payments at the merchants, can I top-up using my own funds?

Topping up your GovCash balance in the LifeSG mobile app is not available. For purchases of amounts above your GovCash balance, please pay the difference using other payment modes that the merchants accept (e.g. cash, debit/credit cards).

10. How do I know if the SGQR displayed by merchants includes NETS QR and PayNow QR so that I can make purchases using my GovCash balance?

Look out for the NETS or PayNow logo on the SGQR label. You can only make purchases at merchants that accept NETS QR or PayNow QR via LifeSG mobile app.

11. Can I cancel my payment after I have confirmed the payment on the LifeSG mobile app?

No, your GovCash balance will be deducted upon successful payment.

12. How do I get a Singpass account?

To obtain a Singpass, you can either:

1. Visit [Singpass](#) website to apply for your Singpass online or
2. visit any of the [Singpass counters located islandwide](#) in-person.

13. How do I change or reset my Singpass password online?

To change or reset your Singpass password, please complete the following steps:

1. Visit [Singpass](#) website
2. Select 'Log in'
3. Select 'Reset password' (under the 'Services' tab)
4. Follow the instructions on the website to complete the changing or resetting of Singpass password

If you require further assistance, please contact the Singpass Helpdesk at support@singpass.gov.sg or +65 6335 3533. The operating hours are from 8am to 8pm (Mondays to Fridays) and from 8am to 2pm (Saturdays) excluding Sundays and public holidays.
